

## On the farm

There's a cat, there's a mouse  
There's a chicken, there's a dog  
There's a fox, there's a rabbit  
There's a goat, there's a frog (Ribbit)  
There's a duck, there's a pig  
There's a cow, there's a horse  
There's a donkey  
There's a sheep and a farmer... of course!

All the animals on the farm, like to party in the barn  
Singing, dancing, eating Hay! 'til the farmer comes to say  
It's bedtime!

For the cat, for the mouse  
For the chicken, for the dog  
For the fox, for the rabbit  
For the goat, for the frog (Ribbit)  
For the duck, for the pig  
For the cow, for the horse  
For the donkey, for the sheep  
And the farmer... of course!
