

The Fruity Caterpillar

I'm a caterpillar, a hungry caterpillar x2
I'd like some fruit for my lunch
I eat, I eat an apple

I'm a caterpillar, a hungry caterpillar x2
I'd like some fruit for my lunch
I eat, I eat a pear

I'm a caterpillar, a hungry caterpillar x2
I'd like some fruit for my lunch
I eat, I eat an orange

I'm a caterpillar, a hungry caterpillar x2
I'd like some fruit for my lunch
I eat, I eat a strawberry

I've eaten an apple
I've eaten a pear
I've eaten an orange
I've eaten a strawberry
But I'm still hungry
