

The Penguin Dance

Move your head, shake your hands x2
Touch your tummy and your toes
Rub your legs and your arms, rub your legs and your arms
And wiggle your bottom left and right

Step forward, step back x2
And move from side to side
Jump up and down, jump up and down
And turn around and around, around, around

Move your head, shake your hands x2
Touch your tummy and your toes
Rub your legs and your arms, rub your legs and your arms
And wiggle your bottom left and right
