

## Tiggle Time

My head, my eyes, my nose x2  
I wiggle my fingers just like this  
And tiggle my fingers just right there

My mouth, my ears, my hair x2  
I wiggle my fingers just like this  
And tiggle my fingers just right there

My head, my eyes, my nose x2  
I wiggle my fingers just like this  
And tiggle my fingers just right there

My head, my head, my eyes, my nose  
My mouth, my mouth, my ears, my hair
